Willamette Valley Symphony's Corporate Sponsorship Program offers ways for businesses and corporations to reach our well-educated, culturally minded audience with your marketing message. Sponsorships are also a wonderful way to demonstrate your company's support of community events.

Our corporate program includes opportunities for

- * prominent logo placement
- * advertising in our program books
- * signage in the lobby on days of concerts
- * announcement from the stage
- * ticket packages - a wonderful way to say thank you to your important clients
- * opportunities for you and your guests to attend a special VIP dress rehearsal event

Please see the attached chart showing the benefits available to our corporate sponsors. We value our corporate partners and are willing to customize a sponsorship package to meet your corporate needs.

ABOUT THE ORCHESTRA

Mission and Objectives

The Willamette Valley Symphony provides an opportunity for musicians and audiences in Corvallis, Albany and surrounding communities to participate in affordable performances of high quality symphonic literature.

The objectives of the symphony are simple: to make live symphonic music easily accessible to the community at a low cost, and to give community members of all ages and ethnic backgrounds an opportunity to play in a symphony orchestra.
